To Whom it may concern,

It is my pleasure to write this letter of professional recommendation on behalf of Ms. Chloe Weilbacher in her pursuit of a career in Marketing. I supervised Ms. Weilbacher as a marketing assistant and graphic designer during her employment with Denny's of Guam inc. She was an excellent employee and talented creative who I enjoyed working with.

Ms. Weilbacher came to our department far better prepared as a designer than her peers. She has taken the initiative to gain hands-on work experience with LSM collaterals and digital marketing initiatives that made her a very efficient, productive employee. I have found her to be responsible and dependable. She has done a great job of managing her time to produce quality work.

Overall I feel Ms. Weilbacher would be an asset to any team. She can work well independently but is open to working in a team and accepts constructive criticism and feedback very well, which is essential for growth. I have no hesitation in recommending Chloe for a professional position as a Graphic Designer or digital marketing specialist.

If you would like more information or would prefer to speak on the phone. I can be reached at (671) 483-3263. You can also reach me by email at dane@dominosmarketing.com I would be glad to discuss Ms. Weilbacher's work performance. Thank you for your time and consideration.

Respectfully,

Dane Taitano
